## PICKING UP EDIBLE PLANTS AND MAKE WILD GASTRONOMY

### 5 days of discovery of wild edible plants

5 days of discoveries, of **gatherings** for **gourmet preparations** with the **wild edible plants of Auvergne**.

**Christophe** Anglade, co-author of the practical guide "**Edible plants, pickings and recipes of the 4 seasons**" (Ed. Debaisieux) will make us discover how nature is generous for those who know some of its secrets. Nights in group lodging (double or single room) on the shore of La Cassière lake at 900 m altitude.

### ITINERARY

#### DAY 1: LA CASSIÈRE LAKE

*2 to 3 hours of walk and pickings / Night in group lodging (2 pers / room)*

Meeting at 2 pm at the lodge : "Entre Lacs et Volcans" (Lac de La Cassière) for a first discovery of our environment. For those arriving by train, appointment at the station of Clermont at 1 pm (no supplement for a lift at this time). For Information, Clermont-Ferrand / La Cassière = 17 km.

In the afternoon, around the village, you will take your first steps in the middle of this wild and authentic nature ; Picking, preparation and dinner.

#### DAY 2: LA CASSIÈRE - GUÉRY LAKE - LA CASSIÈRE

*4 hours of walk and pickings / Night in group lodging (2 pers / room)*

In the morning, transfer to Lac du Guéry, the highest lake in Auvergne with an unrivaled biodiversity and breathtaking scenery. Throughout forests and meadows, along the way, nature reveals to us some of its mysteries.

#### DAY 3: LA CASSIÈRE - SERVIÈRE LAKE - LA CASSIÈRE

*4 hours of walk and pickings / Night in group lodging (2 pers / room)*

In the morning transfer to Lake Servièrè. Even today, we will discover environments conducive to a benevolent nature and rich in wild flavors. Possibility to refresh yourself at the lake.

#### DAY 4: LA CASSIÈRE - CHAÎNE DES PUYs - LA CASSIÈRE

*4 hours of walk and pickings / Night in group lodging (2 pers / room)*

In the morning, a short transfer in the middle of the Regional Nature Park of the Auvergne Volcanoes, on the Chaîne des Puy's which is more and more discovered to our eyes. Throughout forests and meadows, along the way, nature reveals to us some of its mysteries.

Here again we find places preserved, filled with a great ecological diversity.

#### DAY 5: LA CASSIÈRE

2 to 3 hours of walk and pickings

Last short hike on the Puy de Combegrasse.

This last morning can also be devoted to the exchanges or the final preparations that you will bring home.

Dispersion of the group at the end of the morning.

For those who arrived by train, descent to Clermont-Ferrand station around noon, at the end of the stay, so as to be at the station for 1 pm (no extra charge for this schedule).

--

### Disclaimer

The program may be modified for safety, weather or unforeseen reasons. Events beyond our control can modify the routes : cut roads, rivers in flood, strikes, local festivals ... "Aluna Voyages" and its staff, will always do everything that can be possible to bring the best solution, even by modifying the itineraries.
