DISCOVERING EDIBLE PLANTS IN AUVERGNE

3 days of picking and cooking edible plants

Identify and cook wild edible plants. You can privatize your stay for a date of your preference during spring time, summer or autumn. In the company of one of the authors of the book "[Edible plants, pickings and recipes of the 4 seasons](#)". Christophe Anglade, naturalist guide will make you discover how nature is generous for who knows its secrets. Use the wild flora around us to taste the forgotten flavors of our living heritage.

ITINERARY

DAY 1: LA CASSIÈRE LAKE

2 to 3 hours of walk and pickings / Night in group lodging (2 pers/room)

Meeting at 2 pm at the lodge : "Entre Lacs et Volcans" (Lac de La Cassière) for a first discovery of our environment. For those arriving by train, appointment at the station of Clermont at 1 pm (no supplement for a lift at this time). For Information, Clermont-Ferrand / La Cassière = 17 km.

In the afternoon, around the village, you will take your first steps in the middle of this wild and authentic nature ; Picking, preparation and dinner.

DAY 2: LA CASSIÈRE - GUÉRY LAKE - LA CASSIÈRE

4 hours of walk and pickings / Night in group lodging (2 pers/room)

In the morning, transfer to Lac du Guéry, the highest lake in Auvergne with an unrivaled biodiversity and breathtaking scenery. Throughout forests and meadows, along the way, nature reveals to us some of its mysteries.

DAY 3: LA CASSIÈRE - SERVIÈRE LAKE

2 to 3 hours of walk and pickings / Dispersion of the group in the early afternoon

In the morning transfer to Lake Servièrre. Even today, we will discover environments conducive to a benevolent nature and rich in wild flavors. Possibility of swimming.

Dispersion of the group after lunch before 6 pm.

For those arriving by train, descent to Clermont-Ferrand by taxi, to be at the station in the afternoon (About 40 to 50 € for a taxi between La Cassière and Clermont Ferrand train station).
